## **City of Salisbury Announces Installation of 500<sup>th</sup> Fibrant Subscriber**

*New Fiber to the Home Customer Applauds Speed of Fibrant Internet*

Salisbury, NC\_February 28, 2011 – The City of Salisbury has announced the installation of Fibrant's 500<sup>th</sup> subscriber. Salisbury's Fiber to the Home utility welcomed resident Adam Jackson to its list of current subscribers on Thursday, February 24, 2011. Jackson received a celebratory balloon bouquet, promotional items, and fifty Downtown Salisbury dollars in appreciation for his installation as Fibrant's 500<sup>th</sup> subscriber.

Jackson shares that the speed of Fibrant's Internet is exceptional. "It's amazing. Fibrant is definitely much better than my previous Internet service provider. Fibrant is blazing fast!" Jackson adds that although he uses the Internet mostly for recreational purposes and for entertainment, his sister uses their new Fibrant service in support of her career as an educator. "My sister is an online teacher and she uses Fibrant for her job. I am thankful to live in the City of Salisbury and to have the opportunity to get Fibrant."

Fibrant rolled-out a soft-launch of services on November 1, 2010. The Fiber to the Home utility currently provides installation of TV, telephone, and Internet services exclusively for Salisbury residents and businesses within the city limits.
